

SURFACE TILES WEST MOLESEY

Although smaller than our London showrooms, this branch has the benefit of being located beside our main warehouse. This gives customers access to a samples library with over 3,000 tiles to take away as testers. There is also a meeting room that can be pre-booked to discuss specific project requirements. Best of all, every product held in stock is available for immediate delivery or can be loaded into the car and taken home.

A 3-D visualisation service is available on request.
